**Re: Craig Herberte : Fair Dinkum Fencing**

I am writing with regard to Craig Herberte and his business, Fair Dinkum Fencing.

King Construction Group has engaged Fair Dinkum Fencing on a contractual basis since early 2009. They were initially engaged for minor fencing works but have, over the past three years, been successful in securing major fencing/gate works on the following projects:-

- Diamond Valley Special Development School
- Mildura Special Development School
- First Choice Liquor Store
- Lake Primary School
- Red Cliffs Primary School
- Mildura Business Park

I have been impressed with Craig's workmanship and quality of work. He has consistently completed tasks on time and to quote. He and his team are punctual and reliable. If there has been any changes requested by our clients or repairs to be made, Craig has returned promptly to rectify any issues.

Craig also went out of his way to assist King Construction Group with the completion of the Diamond Valley Special Development School project in Greensborough.

In summary, I have no hesitation in recommending Craig and Fair Dinkum Fencing to any business or future client. King Construction Group will continue to utilise the services of Fair Dinkum Fencing on future projects.

Should you require any further information, please do not hesitate to contact me.

Kind regards,
