To Whom It May Concern:

I recently had some 'Knotwood' gates/fencing produced and installed by Craig Herberte and the team at Fair Dinkum Fencing.

The Knotwood product has been fantastic. Looks good, low maintenance, and has survived some pretty harsh treatment from the dog so far.

The service and installation from Fair Dinkum fencing was great. Prior to installation, any questions I had were promptly answered with a phone call to Craig. And the installation was completed within a day with no issues in regards to the fit or finish.

If I have any need for fencing, decking, or gates in the future, I'd definitely look at the Knotwood product and Fair Dinkum Fencing. I'd also have no hesitation in recommending Fair Dinkum Fencing and Knotwood to others.
